Education

University of Michigan — Ann Arbor, MI

Expected May 2026

Bachelor of Arts in *Art & Design*, Bachelor of Science in *Statistics*

GPA 3.916/4.00

- **Recognition:** Dean's List + University Honors (2022, 2023, 2024, 2025), William J Branstrom Freshman Prize

Professional Experience

University Unions (University of Michigan)

Ann Arbor, MI

Art Initiatives Administrative Coordinator

Oct 2024 - Present

- Developed end-to-end workflow across **25** spaces and **250+** assets by mapping workflows, user flows, and IA in **Figma** and translating standards into reusable **Adobe CC** templates, improving rollout consistency
- Streamlined intake and reduced user error by redesigning branching forms with conditional logic in **Google Forms** and coordinating **10+** digital **SignNow** documents to increase reliability of cross-team handoffs
- Clarified requirements via heuristic evaluation + stakeholder interviews, then documenting decisions in **Google Workspace**

DeepThink Lab (University of Michigan)

Ann Arbor, MI

UX Research Assistant

May 2025 - Dec 2025

- Designed and shipped **6-page** site from **Figma** to **HTML/CSS/JS**, deployed and maintained updates via **GitHub Pages**
- Improved findability by restructuring hierarchy + IA in **Figma** and testing **3** navigation variants based on user feedback
- Strengthened maintainability by using **Git** for version control and documenting design-to-code decisions for consistency

Pediatric Exam Robot (Kellogg Eye Center)

Ann Arbor, MI

Design Research Specialist

Nov 2024 - Dec 2025

- Conducted mixed-method user research using **30+** surveys, translating findings into actionable recommendations for cross-functional clinical and engineering partners
- Summarized research + survey results into **17** decision-ready visuals in **R, Excel, and Python** for design insights
- Synthesized qualitative insights into design direction by building personas/journey maps in **Figma + Miro**, producing storyboards and evaluation assets in **Procreate, Premiere Pro, and Canva**, and co-authoring ACM paper in **LaTeX**

International Medical Crisis Response Alliance (IMCRA)

New York, NY

Marketing/Outreach Design Manager Intern

May 2024 - Aug 2024

- Designed and updated content across **20+ Wix** pages using site analytics to guide iterations, achieving **+115%** engagement
- Presented stakeholder-ready write-ups and notes to align cross-functional partners on priorities, tradeoffs, and next steps

d·camp

Seoul, South Korea

Summer Project Research Assistant (SaaS/MICE)

May 2023 - Aug 2023

- Supported B2B SaaS expansion project by synthesizing market and user context into stakeholder-ready recommendations
- Compiled and analyzed industry to report to inform localization and go-to-market planning for cross-functional review
- Researched operational constraints + market dynamics, surfacing implications for product positioning and execution

Projects

Turbo (Mobile Fitness App Prototype) | Figma, Google Forms, Excel, Canva

Sept 2024 - Dec 2024

- Designed and iterated interactive hi-fi prototype in **Figma**, incorporating mid-project prototype check-ins and feedback loops
- Translated quantified insights into design decisions by collecting survey + interview input in **Google Forms**, analyzing responses in **Excel**, synthesizing findings into personas + journey maps in **Figma**, and producing tutorial video in **Canva**
- Improved usability by **95%** with quicker navigation by refining information hierarchy, validating through prototype check-ins

TELL Tool (U-M Research Initiative) | Figma, Adobe CC

Jan 2025 - May 2025

- Created cohesive identity system by defining brand rules and applying them across **30+** print/digital/merch outputs
- Developed multi-format templates with modular assets in **Adobe CC (Illustrator/Photoshop/InDesign)** and **Figma**
- Collaborated with research stakeholders in **5** iteration cycles by translating goals into accessible information visuals

Skills

- **Design:** Adobe CC (Illustrator/Photoshop/InDesign/XD/Premiere Pro), Figma, Miro, Canva, Rhino 3D, HTML/CSS/JS
- **Analytics:** R, Python, Microsoft Office (Excel, PowerPoint, Word), Git/GitHub Pages, C++, Bayesian + Regression Analysis
- **Bilingual** - English/Korean, Intermediate - Chinese
